2013 Gatekeeper Field SolidWorks Models

A full set of SolidWorks models (parts, sub-assemblies and assemblies) is available for download through the following link

https://app.box.com/field-solidworks-models

Beware!! This is a zip file, is quite large (54MB) and may require significant download time.

The link is password protected using the same password required for other game files and BEST A&A. Access to the file will be made public following the final Kickoff, Sep 21, 2013.
